2. Major obstacles

• Generally budget constraints
• Lack of IT personnel at the HQ of registration authority
2. Major obstacles:
For birth registration

• Late registration, particularly at rural area
• Big landscape and distance between herder households
• However, motivated by the state subsidy
2. Major obstacles: For death registration

- Late registration, particularly at rural areas
- Low coverage of infant deaths due to
  - People`s stereotype about deceased child
  - Newborn`s name makes trouble on registration process
- However, motivated by the state subsidy
- And burial and incineration requires registration at urban area
2. Major obstacles:
For marriage registration

- Policy intervened to marriage in irregular manner
- People`s stereotype
  - No legal obligation in front of each other
  - Globalization
- No financial motivation
2. Major obstacles: For divorce registration

- Negative effect of policy intervention
- Avoidance a payment of child care
- Judicial and registration procedure requires spouses should be in present
3. Setting the targets

- Have not determined officially
- Setting up an interagency working group
- Approval of the action plan for the targets
- Concerned areas
  - Foetal death
  - Cause of death
4. Strategies for action plan

• Organizational issues
  – Assigning national a focal point
  – Approving action plan
  – Establishing the coordination mechanism
• Assessment of current circumstances
• Defining the targets
• Strategies for achieving the targets
  – Foetal death
  – Cause of death
• Produce vital statistics in line with the recommendations
