

Asia-Pacific CRVS Research Forum

3-4 April 2023 | Bangkok, Thailand

Moderator Bio: Ms Nicola Richards, International Public Health Consultant

Nicola Richards holds a Masters of International Public Health from the University of Queensland, Australia, and a Bachelor of Health Science (major: Public Health) and Bachelor of Arts (major: Sociology) from the University of Auckland, New Zealand.

She has worked for a variety of UN agencies as a consultant on topics related to strengthening administrative information systems, with a focus on health and civil registration. Nicola worked as a Technical Manager at the University of Melbourne from 2016-2019 as part of the Data for Health Initiative, and prior to that, worked at the University of Queensland at the Health Information Systems Knowledge Hub.

As part of her current consultancy with ESCAP, Nicola is working on a number of CRVS-related activities, including the forum, and recently attended the first meeting of Civil Registrars from South-East Asia.
